

Suggested Indications: Prevention of antibiotic associated diarrhea (AAD) & Clostridium Difficile (C-diff). If ordered a broad spectrum antibiotic, take the recommended dose with antibiotics and continue taking at least 2 weeks after completing antibiotics. If not currently on antibiotics, but at risk for AAD & C-diff, take the recommended dose for at least 30 days. Can be taken daily to maintain intestinal tract health.

Indications	Recommended dose per serving (1 tablet)
AAD & C-diff prophylaxis	1 time daily
AAD	2 times daily
C-diff	2 times daily
Multiple C-diff relapses	3 times daily
Maintain intestinal tract health	1 time daily

Directions for use:

Dissolve in mouth or chew.

CAUTION: Diff-Stat™ should be taken 1 hour before or 2 hours after antifungal medications.

Do not use if you have a yeast allergy. For CVC residents/patients, see Policy & Procedure card.

Keep bottle tightly closed. Store in a cool, dry place.

Do not expose to excessive heat. No refrigeration required. Room temperature stable.

Manufactured in an NSF® GMP registered facility.

Patent Applied For.
